

ACSI Math Olympics 2022

On March 1, 2022, Round Rock Christian Academy students in 3rd-8th grade competed against five other schools this spring in the ACSI Math Olympics. These students competed with about 15 other students in their category.

Each school can have up to three students compete by category in each grade level. These students take a series of three tests along with a tie-breaker test. The students are then ranked 1st – 5th place by their combined score for the three tests, using the tie breaker test if needed. A medal is also awarded to the highest scoring student when they score an 85% or higher. All our students will be recognized with an award certificate with a rating based on their score.

We are very proud of how hard our students worked and how well they have represented our school.

These students earned a ribbon in their category and a certificate for their rating:

Clifford Weakley	3rd grade	Computation:	4th place	Excellent rating
Matthew Cruz	3rd grade	Computation:	1st place with a medal	Superior rating
Eliana Welker	4th grade	Computation:	2nd place	Excellent rating
Bowen Kipp	4th grade	Computation:	1st place with a medal	Superior rating
Dylan Sahl	4th grade	Computation:	5th place	Excellent rating
Tyler Silvestrini	5th grade	Computation:	5th place	Good rating
Cash LaPorte	6th grade	Computation:	3rd place	Excellent rating
Chloe Weir	6th grade	Computation:	5th place	Excellent rating
Bailey Nestler	7th grade	Computation:	1st place with a medal	Superior rating
Jack Johnson	8th grade	Computation:	3rd place	Excellent rating
Henry Rozmus	3rd grade	Reasoning:	2nd place	Excellent rating
Ayden Horn	3rd grade	Reasoning:	tie-4th place	Excellent rating
Courtland Whithey	5th grade	Reasoning:	1st place with a medal	Superior rating
Saxton Cervantes	7th grade	Reasoning:	4th place	Excellent rating
Gauri Babbar	7th grade	Reasoning:	1st place with a medal	Superior rating
Colby Kitchen	7th grade	Reasoning:	2nd place	Superior rating
Joey Berenguel	8th grade	Reasoning:	3rd place	Excellent rating

These students earned an award certificate with a rating based on their score:

Alisa Rousselin	3rd grade	Computation:	Excellent rating
Tyler Groff	5th grade	Computation:	Good rating
Rylen Darter	5th grade	Computation:	Good rating

Luke Grumbo	6th grade	Computation:	Good rating
Josiah Headley	7th grade	Computation:	Excellent rating
Brylie Turner	7th grade	Computation:	Excellent rating
Madison Aranda	8th grade	Computation:	Good rating
Christian Lippert	8th grade	Computation:	Good rating
Lyana Dereje	3rd grade	Reasoning:	Excellent rating
Miles Menchaca	4th grade	Reasoning:	Excellent rating
Camryn Drury	4th grade	Reasoning:	Excellent rating
Annabel Stewart	5th grade	Reasoning:	Excellent rating
Caleb Skinner	5th grade	Reasoning:	Excellent rating
Priscila Rousselin	6th grade	Reasoning:	Excellent rating
Jon Scott	6th grade	Reasoning:	Good rating
Wyatt Hargrove	8th grade	Reasoning:	Good rating
Isabelle Grumbo	8th grade	Reasoning:	Good rating
